Dear Rosemary and Phil:

Thank you for publishing the release on the Committee to Restore Carbondale City Hall and its plans for the next few months ("Restoration Committee announces plans") in the June 23, 1982 issue of THE CARBONDALE NEWS, page 12.

Several weeks ago, I filed a change of address notice in the Post Office at Carbondale for the Committee, so the flow of mail for the Committee at 41 North Church Street should have stopped by this time. I, or a representative of the Committee, however, will continue to check with you for mail, just in case the Post Office delivers some of the Committee's mail to the NEWS by mistake.

Sincerely,

Robert
